

We are beginning work on publishing a Volume 5 history of the family to include corrections of previous volumes, updates, and additions. Your line won't be in the book if you don't submit it. The family is just too large for our historians to do alone. Enclosed is a family group sheet. This sheet is designed to make it as easy as possible for you to submit your family. You will need to photocopy this sheet for every married couple in your family. Remember these tips on submitting your information:

1. Indicate anyone who is ADOPTED into the family.
2. Include middle names when known
3. If you include nicknames, put those in quotation marks. For example: "Skip"
4. Try to include month, day, and year on all birth, death, and marriage dates
5. Try to include place of birth, death, and marriage
6. Include at least the town and state where a person lived when alive or is now living
7. The family group sheet lists some ideas of information you may want to include- politics, religion, education, membership in groups, talents, etc. These are important pieces of information
8. If a deceased person was cremated and not buried, indicate this
9. If the date and place of a divorce is known, indicate this
10. If you belong to a hereditary organization on your ROUSH ancestry like the Daughters of the American Revolution (D.A.R.), Sons of the American Revolution (S.A.R.), etc., mention it.
11. If you have more than one ROUSH ancestry, be sure to indicate this.
12. If a couple having children are not married, please indicate this.

Please do NOT indicate dates in the following manner. 1/2/1912. The reason is that this could mean January 2, 1912 or February 1, 1912. Spell out months or use the first three letters of the month.

INSTRUCTIONS FOR SUBMITTING MATERIAL TO NEW ROUSH BOOK

The Roush and Allied Families in America is in the process of compiling and publishing a fifth volume of history on the family. This is to include only new material involving corrections from previous volumes, updates and addition on lines already published, and missing lines of the family. In order to process the information, we need to know what volume and page of any previous published Roush volume shows your line of the family. (Besides Volumes 1, 2, 3, and 4, you may also refer to the volume on the Christina (ROUSH) DURST SMITH family book or the Balser ROUSE family book.

To refer to a book, here is an example. If your grandfather is the last person shown in any Roush volume, then we need to know the volume and page number where he is shown to know where to connect the new material you submit.

If you don't know the volume and page number of your family in a previous volume, then you can help us by showing us what you know of your Roush ancestry so that we may be able to connect it. Fill out the following ancestry as much as you know. Don't worry about what you don't know.

Your Name

Your Parent

Your Grandparent

Your Great-Grandparent

Your 2nd Great-Grandparent

Your 3rd Great-Grandparent

All material is to be mailed to: Roush Family
